PUBLIC SERVICE  
COMMISSION

RE: Application of Wood Creek Water District for Rate Adjustment  
Case No. 2015-00428  
Response to Commission Staff Report dated April 15, 2016

Wood Creek Water District has no objections regarding the appropriateness of the findings and recommendations contained in the Staff Report.

Wood Creek Water District has no additional evidence for the Commission's consideration.

Wood Creek Water District does not wish to request a hearing or conference.

Wood Creek Water District has no objection to changing the service lives of certain assets to the service lives that the Commission Staff has recommended.

### Water Service Rates:

Wood Creek Water District accepts the 17.07% increase in monthly water rates as determined in the Commission Staff Report. The revised water rates are in Attachment A.

### Sewer Service Rates:

In the Commission Staff Report, it is determined that an approximate 72.18% increase is needed for sewer service rates. The Commission Staff Report indicates that Wood Creek Water District may request that the Commission allow it to adopt either the sewer rates calculated by Commission Staff or alternative rates that would generate up to, but less than, the amount of the sewer revenue increase calculated by Commission Staff. At this time, Wood Creek Water District desires to submit a revised proposed rate adjustment that will provide an increase in sewer service rates in the amount of 17.07%. It is the belief of Wood Creek Water District that the revised proposed rate adjustment will significantly relieve the financial condition of the sewer division operations while considering the impact of the increased cost on the sewer customers. The revised sewer service rates are in Attachment B.

Wood Creek Water District respectfully requests approval of the proposed rates for water service rates contained in Appendix A to this response and approval of the revised proposed rates for sewer service contained in Appendix B to this response.

Respectfully Submitted,

A handwritten signature in blue ink that reads "Glenn Williams". The signature is written in a cursive style with a large initial "G".

Glenn Williams, Chairman  
Wood Creek Water District
